JUMPER LEAD SET (PVC INSULATION)

Multiple length jump leads for working on electrical circuits

Four-piece, Four Length Jump Lead Set

- Four distinct sizes facilitate various applications that make the job easier to complete
- Alligator clips on both ends securely grip terminal connections
- Coil cords recoil requiring minimum storage space and less tangling
- Heavy duty but flexible rubber boots provide safety insulation and wire connection strain relief
- Soldered and clamped wire connections to alligator clips provides low signal loss and prolongs life
